

PLEASE VOLUNTEER NOW!

THERE'S A PLACE FOR ALL BOYS & GIRLS IN THE WYBSL ... AND A PLACE FOR ALL ADULTS, TOO!

Each year, more than 2,000 boys and girls take part in WYBSL's spring/summer and fall seasons – and over 600 adult volunteer positions have to be filled in order to bring a quality program to our young people.

Everyone is busy! We are very lucky that so many people in the WYBSL – parents and non-parents – find time to help, but we need you all! **Whether it's for one time, one project or – if a deeper commitment is possible – for several tasks or a year-round position, we ask that you play a part!**

Please review the list below and check off all of the items that you can and might be willing to do now or at some time during the next few years. Then, when our volunteers staff committees need help (and they always do), they will be able to contact volunteers for specific positions and tasks.

Please return this survey with your child's registration form - or send it as soon as possible to:

**WYBSL Volunteers • c/o Tim Carr • 125 South Knox Street • Westerville, OH 43081
or send an e-mail to us (hr@wybsl.org) if you have questions.**

THANK YOU! YOUR ASSISTANCE IS GREATLY APPRECIATED!

(If you wish to volunteer as a coach, please use Player Registration Form or register online (www.wybsl.org))
