

SPECIAL EVENTS

Skills Clinics — In past years, Varsity Softball and Baseball Coaches from Westerville High Schools and Otterbein University have worked with us to conduct clinics for players and coaches. Check our website or ask your coach for scheduling information once practices begin.

First Pitch Celebration — join us on May 9th as we start our season with a special event at Huber Village Park! Bring the family, have a hot dog and enjoy the activities that include:

- Team Photo Day — your coach will have your scheduled time and order forms for team and individual photos. Rain date is May 16th.
- MLB Pitch, Hit & Run — WYBSL hosts the Westerville qualifier for girls and boys aged 7-14 (as of July 17, 2020) and it's free.
- Food Drive — help those in need by bringing a small donation.

Independence Day Parade — March with us in the annual Westerville Parade on July 4th! Organize your team or volunteer to help the league create a special entry!

All Star Saturday — Our annual tradition continues this year on June 27th (rain date June 28th) at Huber Village and Highlands Parks. Cheer on the teams and watch the Home Run Derbies for Green Hat and older Leagues.

For more information on any of our events, or to volunteer to help organize them, contact Bryan Bidwell at events@wybsl.org.

EMPLOYER GRANTS

Did you know that your volunteer service to the WYBSL can also provide us with financial support? Many employers make financial contributions to non-profit organizations such as the WYBSL when an employee volunteers. Please check to see if your company offers such grants as these contributions help to offset our expenses. The WYBSL would like to thank the employers that have contributed to us in the past: JPMorgan Chase & Co., NiSource, Intel, AVNET, and Corna-Kokosing. If your employer has such a program, please contact the WYBSL Chief Financial Officer, Staci Roark, at cfo@wybsl.org.

CONCESSIONS

Concession services at Huber, Towers and Metzger provide participants and families a convenience while also supporting the league in a vital way. **All profits** from concession go to our Fields Funds to maintain, renovate and build new fields.

Teams that play at fields serviced are asked to provide one volunteer on one game night (or make-up) during the season to help serve customers. You don't have to cook and it's a great way to help the league so please volunteer when your team is scheduled!

Concession "Captains" are paid and trained to open and operate the services at each park. Be a "chef" and manage one of our service locations and earn \$10/hour to start by contacting Stephen Naumann at food@wybsl.org.

WHY WYBSL TEE-BALL?

WYBSL's Tee-ball program offers superior value, convenience and more continuity than other programs. It all starts with a sense of community – we are an all-volunteer, non-profit organization. All fees go directly to a program with 68 years of tradition and service to the Westerville Community.

As Westerville's officially recognized youth tee-ball organization – our partnership with the City of Westerville provides access to the newest and best facilities right here in our community.

Practices	Separately scheduled practices for better skill development.
Games	Full, 12 game schedule; season complete in early July. Emphasis on skills and sportsmanship; no standings or stats.
