## A Westerville Tradition

For sixty years, recreational baseball and softball has been a part of the cultural fabric of Westerville. Tens of thousands of boys and girls have played in the JBBL, JGSL and JTBL – now a part of the WYBSL.

### Remembering the Past, the Present – and Times to Come

As a part of the WYBSL 60<sup>th</sup> Anniversary Year, the League and City will be dedicating six sculptures, symbolizing the rich history of recreational ball in Westerville, in three locations – the three main youth baseball and softball complexes at Metzger, Towers and Huber Village Parks. The first, *Fast Pitch*, was installed in Metzger Park in June. The second (*Sandlot*) and third (*League of Their Own*) are being dedicated today. The remaining three (*Pitcher*, *Catcher*, and *Slugger*) will be dedicated in Huber Village Park in October.

### The Memory Walls at Huber Village

In addition to the six sculptures to be installed, Huber Village Park will be the site of two Memory Walls (depicted in the picture below) representing the history and tens of thousands of players during the past sixty years – with a series of plaques (highlighting the history of youth baseball and softball in Westerville) and more than a hundred engraved, adopted “balls” dedicated to previous or current players and families.

### **TAKE ME OUT TO THE BALL GAME!**

*Take me out to the ball game,  
Take me out with the crowd.  
Buy me some peanuts and Cracker Jack,  
I don't care if I never get back,  
Let me root, root, root for the home team,  
If they don't win it's a shame.  
For it's one, two, three strikes, you're out,  
At the old ball game.*
