Fall, 2018

PLAYING SUMMER AND FALL BALL IN THE WYBSL

As the Spring/Summer season kicks into high gear, there are plenty of games left to play and special events to attend. For example, please join the WYBSL as we once again march in the Westerville Independence Day Parade on July 4th. Bring your whole team and enjoy the experience of walking up State Street in front of the crowd!

One of our oldest traditions – All Star Saturday – will take place on July 7th at Huber Village and Highland Parks. Come out, have a hot dog and cheer on the players in our Coach-Pitch and older softball and baseball leagues during the All Star games and Homerun Derbies.

As the excitement of the spring/summer peaks with the start of our tournaments, it is also time to make plans to play Fall Ball with the WYBSL. We are already busy planning our 23rd Fall Ball season and hope you can join us. This program allows players to further develop their skills with this “extra” season and is especially beneficial to those “moving up” an age division next Spring. This exposes players to the larger fields and rules that they will be playing under next year. Additionally, as a benefit of our partnership with the Westerville City Schools, our high school baseball division will once again play games on the varsity diamonds in town.

Read on to learn more about everything we have planned, including Fall Ball registration information, and be sure to check our website regularly for the most up-to-date league communications and schedules. **See you at the fields!**

ABOUT THE WYBSL

The WYBSL is an organization that exists for the sole purpose of organizing, conducting, and supervising a recreational baseball and softball program in our community. The league was established in 1951, when Westerville resident Alden Bennett organized a boy's baseball league consisting of four teams and sixty boys. Alden directed the program for ten years. In 1961, Dick Retherford became Commissioner and with the help of many volunteers, supervised the rapidly growing program.

The "JBBL" (Junior Boys Baseball League) of Westerville became incorporated with the State of Ohio in 1966. In 1975, the program was broadened to provide softball for girls and grew rapidly adding a Junior Tee-Ball League in 1987.

This year marks the 23rd year of *Fall Ball* as a part of WYBSL's overall program. Since its beginning in 1996 (with only 78 players in one league) WYBSL *Fall Ball* has become one of the largest programs of its kind. Each year, 800 to 900 young people play on more than 70 teams in 11 leagues for girls (4-15) and boys (4-17).

FALL PROGRAM OVERVIEW

This year WYBSL offers 11 *Fall Ball* leagues in boys' baseball, girls' fast-pitch softball and coed Tee-Ball – and players will generally be grouped with the age level in which they will play next spring/summer. *Fall Ball* in the WYBSL blends spring/summer season veterans with new players, those of other leagues and local "travel teams" – and is a great way to prepare young people who will be moving up to the next level of play in the spring – or starting to play in our youngest leagues. Our emphasis is on learning and sportsmanship – and is geared toward fun.

We'll assure a place for every family who lives, works or attends school within the boundaries of the Westerville City School District and applies by the regular registration deadline. We will accept other applications at any time on a space available basis. In all past *Fall Ball* seasons, we have placed 100% of all applications postmarked by the regular postmark deadline date (this year, July 23rd).

You'll find the appropriate application forms on pages 9-12 of this newsletter:

- A **long form application** (p. 10) for players who did not play with us this spring/summer.
- A **short form application** (p.11) for all of our 2018 spring/summer players.
- A **play-up form** (p.11) for those players requesting to "play-up" from their normal age. **See section about mandatory play-up assessments on page 4.**

All forms are also available at www.wybsl.org, the Westerville Community Center and Westerville Library.

Registering is easy & convenient:

- Use our **NEW** online registration program; follow directions at www.wybsl.org.
- Attend one of our walk-in Registration sessions on Saturdays, July 14th and July 21st between 10AM and 1PM, at the Westerville City Building at 64 E. Walnut Street (east side entrance).
- **PLEASE NOTE:** we no longer accept registrations by mail.

If you have any questions, or need help when completing forms, please call us (614-523-6101) or send an e-mail message (wybsl@wybsl.org). A volunteer will respond and try to answer all inquiries.

All players who did not play in the WYBSL during 2017 or 2018 must provide a birth certificate copy. Players who did not play in the 2018 WYBSL spring/summer season must also add a \$24 Fields Fee (spring/summer players have already paid this annual fee).

ABOUT OUR NEW ONLINE REGISTRATION

During our spring 2017 season, the WYBSL launched a new online registration program with the goal to increase convenience for families as well as our volunteer staff. Parents can now create accounts for their players and quickly register each season.

With our new online registration, we no longer accept registrations by mail, email or fax. We do however offer two (2) walk-in registrations for those who prefer to register "off-line".

Be sure to visit the league website all season long for up-to-date information: www.wybsl.org

PLAY UP ASSESSMENTS

A player’s “Playing Age” is his/her age on April 30, 2018, and we urge parents and/or guardians to consider that the children play in the normal league for their age.

We realize that some players benefit from “playing-up” to an older league, or wish to play with siblings – and WYBSL continues to make this opportunity available during *Fall Ball* – at their parent’s request and with the approval of the WYBSL. Play-up assessment attendance is a mandatory criterion.

For **GIRLS** with Playing Ages of 5, 7, 9 or 11, and

For **BOYS** with Playing Ages of 5, 6, 7, 9 or 11,

- 1) A parent or guardian must submit a Play-Up Form with the player’s application at registration.
- 2) After July 23rd, space must be open.
- 3) Players will be considered in the chronological order in which their forms and fees are received.
- 4) **The player MUST either:**
 - **Have played in the same higher age division before (2017 Fall or 2018 Spring/Summer season), or**
 - **Attend a mandatory play-up assessment session at Huber Village Park on Wednesday, July 18th or Tuesday, July 24th, at 6:00 PM.**
 - **Note: Players wishing to play-up to Boys’ Blue/Black Hat will be contacted for assessment scheduling.**
- 5) WYBSL staff must agree that the player is able to safely and competitively play at the requested level.

If the player does not attend an assessment session, or if the staff does not believe that the player can safely and competitively play at the requested level, the parents will be contacted and given the option of playing at the normal age level, **if space is available.**

NOTE: WYBSL reserves the right to reevaluate a play-up participant at any time, before or during the season, and take appropriate action to ensure the safety of all players.

FAMILY PLAN (calculated from highest to lowest fee)

First two players @ full fees; All others @ \$25 each.

PLAYERS WILL BE ACCEPTED
ON A SPACE-AVAILABLE BASIS

Late Registration Penalty – After July 23rd

Additional \$30 per player

Plus loss of Family Plan discounts (if applicable).

\$30 will be charged for any returned check or charge.

Teams will normally play twice a week.
12 Scheduled Games (8 in Tee-Ball)

Make-up games may not be played if each team has played a minimum of 10 games (6 in tee-Ball): if make-up games are possible, they will be played on Sundays, Mondays, or following the end of the regularly scheduled season.

With league permission and if space permits, a child may play up one year (not one league): for example, a five year old can request to play in Coach-Pitch instead of Tee-Ball – a four year old may not. To request this option, a Play-Up form must be sent each season and all such players must attend a mandatory skill assessment session.

Parents should not request that a player “play-down” to a younger level. Don’t even ask!

REFUND POLICY

Although we expect every registered child to play in the WYBSL, we know that some unforeseen circumstances do arise that might cause a player to withdraw from the league.

In order to request a refund, a parent or guardian must SEND AN E-MAIL MESSAGE to WYBSL@WYBSL.ORG – reporting the player’s name, league, date and reason for withdrawal. If the withdrawal is reported:

- By July 27th, a full refund will be given.
- By August 2nd, a \$25 fee will be charged.
- On or after August 3rd, there shall be no refund.

SCHOLARSHIPS

The WYBSL would like to thank Dick’s Sporting Goods for their generous support that helps fund our scholarship program to help assure more eligible players (who reside within the Westerville City School District) can participate in our League, regardless of financial circumstances.

Depending on the individual situation, this program may allow deferred payments and/or full or partial fee grants to provide assistance with Registration and Fields Fund fees, up to \$130 per year per child.

Full information and scholarship applications can be found at www.wybsl.org or at walk-in registration sessions.

PLEASE NOTE, all scholarship applications must be submitted by July 23rd for consideration.

TEAM SELECTION

WYBSL attempts to build teams based upon skill level, to “balance the teams.” Coaches and staff members rate players who played in our spring/summer leagues and parents of new players are asked to rate their child’s skills. Then the staff assembles teams by:

- Honoring “friend” requests – adults wishing to coach together must use this procedure (see below).
- Siblings in the same league are automatically placed on the same team, unless otherwise requested.
- Assigning pitchers and catchers (in older leagues).
- Allocating the remaining players, attempting for parity among teams.
- In Coach-Pitch and Tee-Ball, we attempt to build teams by geographic area.

Requests for specific coaches or “car-pooling” groups unfortunately cannot be honored.

PLAY WITH ONE FRIEND

While we again try to honor requests to play with **one** friend (or coach together), we want everyone to understand the procedure we will use.

In order to be put on a team with **one** friend or be paired with another coach, **both players must list each other as “1st Choice” on their registration forms.** If a friend is not listed as first choice on both player’s forms, it will not be treated as a valid friend request. And we will not allow any “chaining”, where one players lists one friend who lists another friend and so on.

As a reminder, the spring/summer and fall leagues are independent from each other, so teams do not stay together. Additionally, last year’s *Fall Ball* teams will not be kept together.

LEAGUE OVERVIEW

Our league offers young boys and girls the opportunity to spend many years in our program. Although skills and competition increase as players advance through the system, the focus at all levels is on learning, playing and fun. Continuous batting orders are used and all players must play a minimum number of innings in the field. And, although we base our rules on National Federation of High School standards, there are modifications for each league to provide a careful evolution and recreational focus as summarized below:

Tee-Ball	No scores or standings are kept, ten players bat each inning regardless of outs and ten defensive players with coaches in the field for instruction. Players placed in different field positions each inning.
Coach-Pitch	Coaches pitch to their own team, scores and standings are kept but not emphasized, batters receive up to 7 pitches, there are no walks. Ten fielders are used with coaches teaching from the field. Fielders must play 3 defensive innings and must play both infield and outfield.
Green Hat	Players are pitching, bunting and stealing (see specific rules). Baseball teams play with 9 players in the field and pitching in baseball and softball is limited to 3 innings per game.
Red Hat	Competition increases but focus on instruction continues. Stealing of all bases is allowed and dropped 3rd strike is introduced. Limited balk rules in baseball.
Blue Hat	Generally a middle school age league, certified OHSAA umpires are used, pitchers can pitch complete games. In baseball, field size increases and lead-offs are allowed.
Black Hat	For baseball, generally high school young men playing on "major league" field size. Seventeen year olds must be full-time, high school students during the season.

USE OF FEES

The WYBSL is a non-profit organization and strives to “break-even” each year and then adjust fees accordingly to achieve this goal. In 2017, total league expenses were over \$200,000 and League Trustees pride themselves on proper stewardship of all fees.

In one area, WYBSL collects more than \$30,000 in Fields Fund fees — and 100% of your \$24 fee are placed in this fund. This fund is used for field maintenance, improvements, new fields and special projects. A summary of estimated 2018 expenses is shown below.

VOLUNTEER

Each year, over 600 dedicated volunteers help the WYBSL operate our program. No matter how little or much time you have available and no matter what skills or passion you have – we have place on our roster for you!

Some areas of service you might consider:

Registration Aides: Assist the Registration Director at walk-in sessions as well as processing registrations. Help is needed beginning in early-July through mid-August on a flexible basis.

League Coordinators: Work with the Program Director to insure communication between the league and coaches is clear and efficient. Coordinate uniform and equipment distribution, insure schedules are shared in a timely manner, and generally be a conduit between teams and coaches and the league.

Standings Coordinators: Insure game scores are reported accurately in a timely fashion. Compile and check standings and share with the league’s Webmaster for posting.

Concessions: Work with the Concession Director to schedule managers & volunteers and maintain stock in the concession trailers. Ideal for someone who has available time during the day!

Field Crew: Help check field conditions on weekends for make-up games. Work with the Fields Director to prepare fields for All Star Saturday and other special events.

Equipment Crew: Assist the Equipment Director in organizing inventory, preparing team bags and maintaining field boxes throughout the season!

Fall Ball Committee: Volunteers looking to learn and help the league in important operations – and possible greater, future responsibility – are encouraged to explore this opportunity. Help with registration, team selection, scheduling or day-to-day operations throughout the fall season.

Please visit www.wybsl.org and complete the Volunteer Survey, or contact Chase Baltzer at hr@wybsl.org to discuss how you can help!

Over 25 Years in Westerville!
515 South State Street Located
Just North of Schrock Road.

Please note, game times (except Tee-Ball) shift to 5PM in late September due to reduced daylight. Please see game schedules for details.

WHAT'S PROVIDED?

At all levels, the league supplies all team equipment necessary to play the game – bases, balls, helmets, bats, batting tee (tee-ball) and catcher's gear (coach-pitch and older). WYBSL also provides each player with a team shirt and cap or visor, which the player may keep. Each player must supply a fielder's glove, shoes and shorts or baseball pants (for boys at the Green Hat level and older, baseball pants are required). Your coach will probably ask that all players wear the same color of shorts or baseball pants. We ask that, if at all possible, you follow the request of the coach. Optional items, such as heart protectors or special masks, are not required and, if chosen, are the family's responsibility.

EQUIPMENT

We suggest a generic infielder or outfielder glove be your first purchase. Most importantly, make sure it is the right size for your player! In older leagues, pitcher's gloves cannot include white or gray. Softball gloves cannot be gray, white or optic (neon) in color.

For our Tee-Ball and Coach-Pitch leagues, gym shoes or baseball/softball shoes are fine. As players grow, we recommend baseball/softball shoes. Also, metal spikes are not allowed except in the Boys' Blue & Black Hat leagues.

We suggest strongly that parents consider that all boys wear cups for protection as they grow in the program. Catchers at Green Hat and older levels must wear one.

SPECIAL EVENTS

Team Photo Day — All teams and individual players are encouraged to take part in WYBSL's Photo Day, which will be on **Saturday, August 18th**, at your practice fields. Even if you don't wish to purchase a photo, your teammates would like a picture of the **whole team** as a remembrance. Coaches will provide order forms and time for this event.

Awards —All Tee-Ball and Coach-Pitch players receive a trophy at the end of the season. In all other leagues, trophies are awarded to league champions and runners-up.

BATS — IMPORTANT

One of the most distressing things that a parent or player can be told is that a personal bat can't be used because it is "illegal" – especially after it was just purchased last year! In order to avoid costly mistakes, here are some simple guidelines (generally for safety):

1. In Tee-Ball, the bats must be factory-marked "Tee-Ball" or "Little League" **and "1.15 BPF"** (boys) or "Softball" (girls).
2. In Girls Coach-Pitch, bats must be factory marked "Softball".
3. In all other Girls' softball leagues, bats must be factory marked "2000 or 2004 ASA".
4. In Boys' Coach-Pitch, Green Hat and Red Hat, the bats must be factory-marked "Little League" **and must also be factory-marked "1.15 BPF"** or new bats can also meet the new USABat standard and must be factory marked with the USA Baseball logo.

A bat that is factory-marked "Tee-Ball" can only be used in our Tee-Ball leagues. A boy's bat that is factory-marked "Little League" and "1.15 BPF" can be used from Tee-Ball through Red Hat. A girl's bat that is factory-marked "2000 or 2004 ASA" can be used throughout the softball leagues.

5. When a boy plays Blue Hat or Black Hat ball, NFHS rules apply with one Blue Hat modification:
 - A non-wood bat must be 2 5/8" or less in diameter, 36" or less in length, with a -3 differential between length and weight. The BBCOR standard will also apply. Current and new NFHS bat rules can be found at www.nfhs.org.
 - In Blue Hat only, a bat less than 32" in length may be 2 5/8" in diameter and have a -5 length to weight differential and must be factory marked with the appropriate "1.15 BPF" label.

Most problems occur when Boys' Red Hat players graduate to Blue Hat. Many expensive bats can't be used – so when buying a bat for your older boys, **please be sure to check the Blue & Black Hat rules above**. And, call the League if you have any questions.

UMPIRES WANTED!

The WYBSL provides paid training for non-certified umpires to officiate our baseball and softball leagues for players 9-12 years old.

Umpires must be at least 15 years old, and start earning \$26 per game. **Please contact Umpire Director John Paul at umpires@wybsl.org for more information.**

2018 FALL BALL PLAY-UP FORM

IMPORTANT! IF YOU WISH TO "PLAY-UP" AT THE NEXT HIGHER LEVEL ...

Please bring this form with your registration form if you are registering at a July Walk-In session. Fees listed are total fees, NOT including the Fields Fund Fee. See page 4 for important details!

THIS FORM MUST BE COMPLETED EACH SEASON IN ORDER TO PLAY-UP!

Player: _____ Preferred Telephone: (____) _____

Boys' Baseball Leagues:

Normal League: [] Tee-Ball [] Coach-Pitch 7 [] Coach-Pitch 8 [] Green Hat [] Red Hat
"Play-Up" to: [] C-P 7 (\$90) [] C-P 8 (\$90) [] Green Hat (\$95) [] Red Hat (\$100) [] Blue Hat (\$105)

Girls' Softball Leagues:

Normal League: [] Tee-Ball [] Coach-Pitch [] Green Hat [] Red Hat
"Play-Up" to: [] Coach-Pitch (\$90) [] Green Hat (\$95) [] Red Hat (\$100) [] Blue Hat (\$105)

As the player's parent or guardian, I hereby petition the WYBSL to allow him/her to play at the next higher level. I understand that the WYBSL staff has sole discretion in this matter and will only allow this move after July 17: (1) on a space-available basis; and (2a) if the player has played in the same higher age division before, or (2b) if, after a mandatory skill assessment session (to be attended on Tuesday, July 18 or Wednesday, July 24), the staff feels that the player is able to compete readily at the higher level. If, after such skill assessment, the staff does not believe that the player should "play-up", there is no assurance that a space will be available at the player's normal age level at that time.

LINDSAY'S LAW

Passed in 2017, "Lindsay's Law" applies to all athletes 19 years or younger who compete in athletic activities organized by a school or youth sports organization. The goal is to reduce the incidence of Sudden Cardiac Arrest (SCA – the sudden and unexpected stoppage of heart beat) in youth athletics.

The law requires the WYBSL to provide a required SCA Informational Handout to all parents/guardians and youth athletes. A link to this handout can be found below and is available in our on-line registration application as well as on our website.

Additionally, parents/guardians and athletes must read the handout and watch a required Ohio Department of Health (ODH) video – and sign an acknowledgement form that **must be returned to the league before participation**. Links to the video and signature form are available in the on-line application as well as our website.

All coaches must also watch the ODH video and read the SCA Informational Handout. Links to these will be provided with your volunteer coaching application and on our website.

For additional information and links, please visit: www.odh.ohio.gov/landing/Lindsays-Law.aspx

RETURN TO PLAY LAW

Concussions are a serious concern in all youth sports. In Ohio, the law requires the league to ensure all coaches and umpires complete designated training as well as provide information to all parents. Concussion training is free and can be done online.

For training requirements and information for parents as required by law, visit www.healthy.ohio.gov/concussion.aspx or our website: www.wybsl.org.

IMPORTANT NOTE: The law requires that youth athletes, who are suspected of sustaining a concussion, **MUST** be removed from practice or play. Ohio laws prohibit a child to return to play (practice or competition) on the same day that he/she is removed on suspicion of having sustained a concussion. He/she may return the following day if cleared **in writing** by a physician (MD or DO) or other authorized healthcare provider that they did not sustain a concussion. League policy requires that physician/healthcare provider's clearance be given to the corresponding Baseball/Softball Director prior to resumption of league activities.

WEATHER POLICY

The safety of our players and damage to fields that might affect future games should be primary concerns of all WYBSL participants. Below is the Weather Policy:

Rain — Prior to a scheduled game, only the WYBSL Fields Director (or other WYBSL designee) has the authority to cancel a game. If timing is possible, the league will announce the day’s field conditions on the Weather Hot Line (614) 523-6220 and Twitter page @WYBSLalerts. However, if conditions are marginal – or if rain occurs after one and one-half hours before game time, teams should go to their field. At that point, and throughout the game, the authority to stop play rests with the umpires and WYBSL staff. Games may be resumed at any time within 30 minutes of stoppage, if fields are playable.

Lightning/Thunder — If the City’s Lightning Prediction System covers a field of play, when there is the possibility of lightning, one continuous horn burst is sounded and all games and practices must stop and fields will be cleared. An all-clear is signaled by three short bursts.

Whether a lightning prediction system is present or not, if lightning is sighted or thunder is heard, umpires will immediately clear the field and dugout; if sighted by one umpire in a multiple diamond location, all fields will be cleared. Games may resume no less than 20 minutes after the last lightning sighting or thunder is heard, if fields are playable.

Playability — If a game is stopped during play, players and fans should move to shelter or cars and wait for a notice from the umpire or WYBSL staff. The final decision regarding playability rests with the umpires (in a multiple diamond location, umpires may consult each other if field conditions are marginal).

In the case of practices, Head Coaches are responsible for following the weather policy. For all Coach-Pitch and Tee-Ball games, Head Coaches are jointly responsible for following league policy.

Make-Ups — If a game cannot be played or completed, the league will reschedule it as soon as possible. Usually, your make-ups for the week will be played on Sunday afternoon and/or Monday. Once scheduled, the make-up game will be played or considered a forfeit.

LOOK FOR “THE SHIRTS”

WYBSL key personnel on the fields will again be wearing blue golf shirts, jackets or caps with the WYBSL logo.

When you’re at the fields and need information about the program that your coach can’t supply – or wish to share ideas or concerns – just **look for “the shirts”**.

FALL BALL FAQS

What’s included in my fees?

Besides the practices and games themselves, each player receives a team shirt and cap or visor. WYBSL provides all field and team equipment needed to play the game – bases, bats, helmets, balls, batting tee (tee-ball) and catcher’s gear (coach-pitch leagues and older). Each player must supply a fielder’s glove, shoes and shorts or baseball pants.

What’s a ‘Fields Fund’ fee and do we have to pay it?

Once each calendar year, each player must pay a Fields Fund fee of \$24. If paid during Spring/Summer registration, it does not need to be paid again during Fall registration. 100% of this fee is placed in a special fund that is and will be used for field improvements, maintenance and special projects.

We missed the regular registration deadline – can my child still participate?

Registration is on a ‘first-come, first-served’ space-available basis. But, if space is available (and usually is), there is a \$30 late registration penalty.

How do I determine my child’s ‘Playing Age’?

Your child’s ‘Playing Age’ is his/her age on April 30 of the current calendar year.

How old must my child be to play Tee-Ball?

Generally, the Fall Tee-Ball program is for children who are Playing Age 4 and 5. If space is available, and with League approval, we allow children who are Playing Age 3 if their 4th birthday is within a month of April 30 (if the player is 4 by May 31).

Does WYBSL honor ‘carpooling’ or ‘ride-share’ requests?

No, carpooling requests have been abused over the years as a way to try to get children onto the same team. This interferes with the league’s efforts to evenly distribute players based upon skill levels (Green Hat and older) and neighborhood (Tee-Ball and Coach-Pitch).

My daughter/son “played up” in the spring. Do they need to attend the play-up assessment?

Not if they played in the same higher age division before (2017 Fall or 2018 Spring/Summer), but you must still submit a Play-up form.

COACHES AND UMPIRES

COACHES – Skill development and sportsmanship along with patience and respect are basic to WYBSL’s mission and purpose – and are fundamental to being a good coach. We could not conduct our leagues without the many fine adult leaders who wish to positively impact our youth by offering their knowledge of the game along with a desire to teach some life skills along the way.

WYBSL has programs and resources to help our coaches develop and grow in their service to our young people. And, because the safety and security of our participants are critical, WYBSL conducts criminal background checks on All Coaches, League Trustees and managers. If you would like to volunteer to be a coach, please check the appropriate box on the registration form or speak to a League volunteer leader.

UMPIRES – Certified umpires are used in the Black Hat and Blue Hat leagues. Volunteer parents umpire at the Tee-Ball and Coach-Pitch levels. League-trained, paid officials are used in the Green Hat and Red Hat leagues.

Please consider offering to “be a blue”. You must be 15 years of age or older to be a League Umpire. For further information, please contact John Paul, WYBSL’s Umpire Director at umpires@wybsl.org.

EMPLOYER GRANTS

Many employers have programs that provide contributions, donations, or grants to non-profit organizations, such as the WYBSL, for your volunteer participation. Please investigate your employers’ programs for community volunteering. The WYBSL would like to thank the employers that have contributed donations to date, including Intel, NiSource, Kokosing, and AVNET. If your employer has such a program, please contact the WYBSL Chief Financial Officer, Chris Carson, at cfo@wybsl.org.

Labor Day Weekend

Please note that due to the short duration of the season, games and make-up games (if necessary) will be scheduled on Labor Day Weekend but NOT on the Monday holiday (9/3).

CONCESSION CAPTAINS WANTED!

The WYBSL operates concession services at Huber Village, Metzger and Towers Park to help busy parents get food and drinks conveniently during scheduled games.

Training is provided and duties include opening/closing the trailers, cooking, taking inventory and stocking. A friendly, service oriented personality is required!

Concession Captains must be at least 18 years old and start earning \$10 per hour. ***Please contact Concessions Director Bill Knisley at food@wybsl.org for more information.***

WEATHER FORECASTING

We don’t do it. Even the TV pros mess it up. A frequent frustration among parents is the changing weather and its effects on our game scheduling and weather hotline.

Challenges may occur after Weather Hotline updates. From experience, we’ve learned the weather can be very different in one part of Westerville vs. another. We also don’t try to predict conditions based on forecasts (they always guess wrong). Make-up games are tough, so we always try our best to keep schedules, but are at the mercy of Mother Nature!

Based on the above, and knowing families are “moving” towards the fields after the 4PM hotline updates, we seldom make hotline changes that can’t be quickly & confidently made. We don’t mean to drag families to games only to see them canceled, but with the uncertainty of weather, it’s sometimes best to leave it to those at the fields to decide whether to play or not. We appreciate your understanding of our efforts to maintain this balance – and, if you’re a weather savant, let us know – we’ve got a spot for you!

CONDUCT RULE

Unsportsmanlike conduct will not be tolerated in the league. Team coaches are responsible for their conduct and the conduct of their players and fans. A coach, player or fan can be ejected from a game and/or removed from the playing field area by order of an umpire, Fall Ball Committee Member or WYBSL Trustee if they violate a league rule of conduct, as follows:

- A. In a game, no coach may utilize any player(s) not currently assigned to his/her team roster by the League. Violation of this rule will result in automatic permanent suspension of the coach(es) involved.
- B. No coach, player or fan shall ever engage in a physical altercation with any player, umpire, coach or fan.
- C. No coach, player or fan shall intentionally violate or refuse to follow any league or game rules.
- D. No coach, player, umpire or fan shall come to the playing field under the influence of alcohol or an illegal drug; and no coach, player or umpire shall use tobacco products at the playing field during a game or practice.
- E. No coach, player or fan shall engage in grossly unsportsmanlike conduct, including, but not limited to, throwing equipment, use of profanity, arguing with an umpire over a call or directing remarks to a player, umpire, coach or fan which are of a degrading or distracting nature.
- F. Only the Head Coach, or his/her designee in the Head Coach's absence, may leave his/her designated area to dispute a judgment call by an umpire. This infraction may be penalized by either restricting to the dugout for the remainder of the game or ejecting the Head Coach and/or the offending coach.
- G. After each game, in the practice of good sportsmanship, all coaches and players shall form two opposing lines and proceed through a traditional, orderly "handshake line". No coach or player shall avoid participation in this line or exhibit unsportsmanlike conduct in the line.
- H. No coach, player, parent or fan shall, at any time, threaten, intimidate, attempt to intimidate, harm or attempt to harm, any umpire, player, coach, WYBSL official or fan. Any person who violates this rule may immediately be banned from all WYBSL sites and activities for a period of time to be determined by the Board of Trustees, up to and including a permanent ban. This rule shall be applied regardless of where and when the offending conduct takes place.

If a coach, player or fan is ejected from a game and/or removed from the playing field area for conduct as described above (or in the case of G. above, does not participate as described), the person shall provide a written statement describing his/her version of the events and/or other explanation to the Committee within twenty-four hours of the incident, and may not attend or participate in any practice or game until doing so.

The Committee or Program Director shall review the statement and gather any other information from other parties that they deem necessary to determine if a further penalty should be assessed. Such further penalty, if any, shall be assessed before the team's next scheduled game.

Any coach who violates the above guidelines may be immediately removed from his/her position by the Committee. In the event of such an occurrence, each coach would be provided with the opportunity to appear before the Board of Trustees at its next scheduled meeting in order to describe for the Board his/her version of the events which may exist for reinstating the coach.

Dinner at the Ballpark!

These days, everybody is busy and rushing to the evening games to enjoy a game. When it's game time at Huber Village, Metzger or Towers Park, how about some great food from WYBSL's own concession service?

Whether you want a hot dog, cheeseburger...or an icy cold beverage or ice cream treat...or some peanuts or candy...our concession stands are the places to be!

And remember, all net proceeds go to the WYBSL Fields Fund!

SPORTSMANSHIP

We expect excellent sportsmanship in our leagues – and work hard to make sure it happens. The WYBSL is blessed that there are very few incidents of negative conduct each year.

Sportsmanship has a lot of parts – attitude, intensity, commitment and the way we interact with each other. And good sportsmanship is the responsibility of all of us – especially the examples set by coaches and parents.

We expect all players, coaches and fans to respect the work of our umpires. Understand that our younger and less experienced umpires officiate in the Green and Red Hat leagues and may make mistakes while learning.

We need everyone's help to make sure that the WYBSL experience is a great one for all players. Please direct your "enthusiasm" toward positive encouragement.

If you observe negative conduct, excessive "intensity" or willful violations of the rules on the part of anyone – speak to your coach or, if appropriate, call your Program Director or the WYBSL answering service (614) 523-6101 immediately. The league will review the basis of your concern in a confidential manner and, if warranted, deal with such conduct fairly, but swiftly.

ALL STAR SATURDAY

Please join us for one of the WYBSL's favorite traditions – our All Star games and Home Run Derbies! Huber Village and Highland Parks host these events on July 7th (rain date 7/8) for Coach-Pitch and older leagues. Complete schedules will be posted prior on our website.

There aren't many things better than enjoying a day watching ball games at some of our community's beautiful parks while enjoying a hot dog, ice cream and cold refreshment.

Participants receive All Star jerseys and an All Star team picture taken prior to the games. It's a great family event and we hope to see you there!

EARN EXTRA CASH

Work in the fresh air helping the WYBSL, while making some "green" for your time. Although the League relies on the efforts of more than 600 volunteers during the year, there are two types of paid positions you might consider exploring.

League Umpires. Fees range from \$26 to \$60 and fall into two categories:

- Adults and high school students (15 or older) for our Green Hat and Red Hat baseball and softball leagues.
- OHSAA certified officials for our Blue and Black Hat leagues.

For additional information, please contact Umpire Director John Paul at umpires@wybsl.org.

Concession "Captains". Be a chef and manage the concession trailer at Huber Village or Towers Park. Fees start at \$10 per hour.

Fall season days vary Monday thru Friday from 4:30 - 8:30 and weekends based upon schedules.
