As the player's parent or guardian, I hereby petition the WYBSL to allow him/her to play at the next higher level. **I understand that the WYBSL staff has sole discretion in this matter and will only allow this move after July 17: (1) on a space-available basis; and (2a) if the player has played in the same higher age division before, or (2b) if, after a mandatory skill assessment session (to be attended on Tuesday, July 18 or Wednesday, July 24), the staff feels that the player is able to compete readily at the higher level. If, after such skill assessment, the staff does not believe that the player should "play-up", there is no assurance that a space will be available at the player's normal age level at that time.**
