## PLAYING SUMMER AND FALL BALL IN THE WYBSL

As the Spring/Summer season kicks into high gear, there are plenty of games left to play and special events to attend. For example, please join the WYBSL as we once again march in the Westerville Independence Day Parade on July 4<sup>th</sup>. Bring your whole team and enjoy the experience of walking up State Street in front of the crowd!

One of our oldest traditions – All Star Saturday – will take place on July 7<sup>th</sup> at Huber Village and Highland Parks. Come out, have a hot dog and cheer on the players in our Coach-Pitch and older softball and baseball leagues during the All Star games and Homerun Derbies.

As the excitement of the spring/summer peaks with the start of our tournaments, it is also time to make plans to play Fall Ball with the WYBSL. We are already busy planning our 23<sup>rd</sup> Fall Ball season and hope you can join us. This program allows players to further develop their skills with this “extra” season and is especially beneficial to those “moving up” an age division next Spring. This exposes players to the larger fields and rules that they will be playing under next year. Additionally, as a benefit of our partnership with the Westerville City Schools, our high school baseball division will once again play games on the varsity diamonds in town.

Read on to learn more about everything we have planned, including Fall Ball registration information, and be sure to check our website regularly for the most up-to-date league communications and schedules. **See you at the fields!**
