If a player did not play in the WYBSL during the 2016 Spring/Summer or Fall Ball seasons, upload, bring or send a non-returnable copy of the player's birth certificate.

If you played last year, you'll notice we did not include a pre-printed registration form. As we launch our new on-line application, we would like to take this opportunity to gather updated registration information.

Families, who live/work/attend school in the Westerville School District and apply by the regular registration deadline, will be assured placement. We will accept other applications at any time on a space available basis. In all past seasons, we have placed 100% of all applications postmarked by the deadline.
