

USE OF FEES

The WYBSL is a non-profit organization and strives to “break-even” each year and then adjust fees accordingly to achieve this goal. In 2017, total league expenses were over \$200,000 and League Trustees pride themselves on proper stewardship of all fees.

In one area, WYBSL collects more than \$30,000 in Fields Fund fees — and 100% of your \$24 fee are placed in this fund. This fund is used for field maintenance, improvements, new fields and special projects. A summary of estimated 2018 expenses is shown below.

VOLUNTEER

Each year, over 600 dedicated volunteers help the WYBSL operate our program. No matter how little or much time you have available and no matter what skills or passion you have – we have place on our roster for you!

Some areas of service you might consider:

Registration Aides: Assist the Registration Director at walk-in sessions as well as processing registrations. Help is needed beginning in early-July through mid-August on a flexible basis.

League Coordinators: Work with the Program Director to insure communication between the league and coaches is clear and efficient. Coordinate uniform and equipment distribution, insure schedules are shared in a timely manner, and generally be a conduit between teams and coaches and the league.

Standings Coordinators: Insure game scores are reported accurately in a timely fashion. Compile and check standings and share with the league’s Webmaster for posting.

Concessions: Work with the Concession Director to schedule managers & volunteers and maintain stock in the concession trailers. Ideal for someone who has available time during the day!

Field Crew: Help check field conditions on weekends for make-up games. Work with the Fields Director to prepare fields for All Star Saturday and other special events.

Equipment Crew: Assist the Equipment Director in organizing inventory, preparing team bags and maintaining field boxes throughout the season!

Fall Ball Committee: Volunteers looking to learn and help the league in important operations – and possible greater, future responsibility – are encouraged to explore this opportunity. Help with registration, team selection, scheduling or day-to-day operations throughout the fall season.
