**USE OF FEES**

The WYBSL is a non-profit organization and strives to "break-even" each year and then adjust fees accordingly to achieve this goal. In 2016, total league expenses were over \$225,000 and League Trustees pride themselves on proper stewardship of all fees.

In one area, WYBSL collects more than \$30,000 in Fields Fund fees — and 100% of your \$24 fee are placed in this fund. This fund is used for field maintenance, improvements, new fields and special projects. A summary of estimated 2016 expenses is shown below.

**FALL BALL**

*Fall Ball* is a big part of our program. In 1996, our girls' softball program conducted a test *Fall Ball* league for girls – and in 1997, the boys' baseball program also added *Fall Ball* leagues. We have expanded the program each year – and **each year, about 800 young people play on 70 teams in 12 leagues for girls (4-15) and boys (4-17).**

*Fall Ball* in the WYBSL blends spring/summer season veterans with new players, those of other leagues, and local "travel teams" – and is a great way to prepare young people who will be moving up to the next level of play in the spring or begin play in our youngest leagues. Our emphasis is on learning and geared to fun.

Spring players should receive mail registration materials in late June; **our 2017 Fall Ball walk-in Registration Sessions will be held on Saturdays, July 8 and 15 at the Westerville City Building at 64 E. Walnut Street from 10:00 AM to 1:00 PM.**

Please consider this added opportunity for our young people. And, we will need *Fall Ball* Committee members – call us (614) 523-6101 to offer your help.

Below is a quick age reference chart for all of the WYBSL Fall Baseball, Softball and Tee-Ball leagues. The Playing Age is the boy or girl's age on April 30, 2017.
