

# **WESTERVILLE YOUTH BASEBALL AND SOFTBALL LEAGUE**

---

***Serving our Community's Young People Since 1951***

## **WYBSL FALL SEASON – ALL LEAGUES TIE-BREAKING FORMULAE FOR THE SEASON**

In all leagues except Tee-Ball, the following tie-breakers will be used for determining league positions for determination of champions and standings.

### **TIE-BREAKERS FOR LEAGUE CHAMPIONS**

In cases where the win-loss record of games does not present a clear-cut champion, tie-breaking formulae shall be applied as follows:

1. **Head-to-Head Competition** – Win-loss percentage between or among tied teams.
2. **Head-to-Head Competition** (run differential) – *Total team runs minus total opponent runs*, divided by the *number of games played* (in head-to-head competition). This tie-breaker is only used if three or more teams are tied for first place.

If there is still no clear-cut champion, a single playoff game for the league championship shall be played.

### **TIE-BREAKERS FOR OTHER POSITIONS WITHIN THE LEAGUE**

In cases where the win-loss record of games does not present a clear-cut position winner other than champion, tie-breaking formulae shall be applied as follows:

1. **Head-to-Head Competition** (record) – Win-loss percentage between or among tied teams.
2. **Head-to-Head Competition** (run differential) – *Total team runs minus total opponent runs*, divided by the *number of games played* (in head-to-head competition). This tie-breaker is only used if more than three or more teams are tied.
3. **Greatest Average Run Differential** – This number shall be arrived at by subtracting *total opponent runs* from *total team runs*, and dividing the result by the *number of games played*.
4. **Least Number of Runs Scored Against** – *Total opponent runs* divided by *number of games played*.
5. **Most Number of Runs Scored** – *Total team runs* divided by *number of games played*.
6. **Coin Toss**
